Academic Year 2026–2027

# Welcome to the Schedule of Fees for the 2026–2027 academic year at Wellington College Independent School Jakarta.

This document presents our clearly structured and transparent fee schedule, reflecting our unwavering commitment to providing an exceptional British education, firmly grounded in our core values of Kindness, Courage, Respect, Integrity and Responsibility.

At Wellington, we are devoted to pioneering an education that nurtures intellectual curiosity, fosters genuine independence, embraces inclusive excellence, and inspires the courage to be truly and selflessly individual. These qualities define what it means to be a Wellingtonian – preparing each pupil not only for academic achievement, but also for a life of purpose, compassion and contribution within the global community.

All fees stated in this document are denominated in Indonesian Rupiah (IDR).

## APPLICATION FEE

A one-time fee of **IDR 6,000,000** is payable upon submission of your application. This fee is non-refundable and non-transferable, and covers the administrative processes involved in assessing and processing your child’s application for admission to the School.

## ENROLMENT FEE

A one-time enrolment fee of **IDR 34,000,000** is payable to confirm and secure a pupil’s place at Wellington College Independent School Jakarta for the 2026-2027 Academic Year. This fee is non-refundable and non-transferable, and must be settled within seven (7) days of receiving the formal Letter of Offer.

## TUITION FEE

The Tuition Fee covers the full provision of the School’s academic and pastoral programme, including curriculum delivery and standard learning materials for the academic year.

Tuition Fees are generally non-refundable and non-transferable, except as provided in the School’s Refund Policy. The Tuition Fee is set on an annual basis. For families who prefer greater flexibility, the School also offers the option to pay termly, with the total payable under the termly arrangement being higher than the annual Tuition Fee.

The annual Tuition Fee is due by 1 June 2026.

For families opting for termly payment, Tuition Fees are payable according to the schedule below:

- Michaelmas (Term 1): 1 June 2026
- Lent (Term 2): 4 December 2026
- Summer (Term 3): 25 February 2027

For pupils admitted after 1 June 2026, the Tuition Fee will be payable within fourteen (14) days of the date of invoice, and in all cases prior to the pupil’s start date.

For mid-year entry, the Tuition Fee will be charged for the full term of entry and all remaining terms of the academic year.

For ease of reference, the table presents the annual Tuition Fee alongside the corresponding termly payment amounts.
